## **Reminders**

### **Clothes**

Please can we remind parents to label children's clothes that children bring to nursery with them. It is a lot easier for staff to locate misplaced clothes this way

### **Wellies**

Could all parents/carers please remember to bring in wellies for garden play, the children do access the garden in all weathers and we do not keep spare wellies at Caerleon

### **Preschool parents**

Please remember to take your child's book bag home, there is a new "homework" sheet in there each week that relates to the letters and sounds activities taking place in preschool

## **Recommendations**

A big thank you to all the parents and carers that have taken time to write a review for us on the internet. We feel that it is very beneficial to prospective parents to see what our current parent really think about Caerleon Child Care. If you have not yet written a recommendation and would like to, you can use the websites listed below:

There are also recommendation cards in the entrance hall if you would rather write by hand.
