

Life's better with sandy toes..?

Where have you been your holidays?

'We drove to Tenby and I made a sandcastle. My sister stepped on seaweed in the water and though it was a pet', Alice P.

'I went camping with Wobble Bobble the giant ball. Alice had a pink one and I have a blue one. We have a bubble pump', Teddy P.

'I went on holiday a long long time ago, I can't remember....

I am going to Cornwall and Menorca and will bury daddy in the sand', Seb C.

'I went to Italy and I caught a fish and a naughty crab. Pinching my finger, not this finger but my baby finger and it pinched me', Leo S.

'With my cousin to the caravan and to the beach. It's my mums birthday, I won't go to school and we will have a birthday cake', Billie-Mae T-P.

'I am going on holiday in a camper van and I am going to have an ice-cream', Ava H.

Number '4'

Take 4..... We thought it was about time that we shared our Summer secret. Lesson plans and timetables are out and the team are busy working on designing a 6 week inspirational Summer holiday fun and learn programme.

Anything goes from Make and Make Believe Week, Messy Masters Art Attack and then don't forget Pool Party Time!!!! Watch this space for any updates.

Team Updates

Kirstie Saleh has left in June to pursue other paths in childcare

Mandy Morgan has recently joined the team and looks forward to getting to know all the children

Parents Evening

A massive thank you to everyone in ensuring our first parents evening of the year went as smoothly as possible.

We hope you enjoyed hearing how your little ones are getting on at Caerleon.

If you have any comments or feedback we would love to hear them. Please find a feedback form attached.

Need to know, Need to do!

Could we kindly ask all parents to remember to

- Shut the gate behind you when entering or exiting the courtyard.
- Ensure the front door is closed tightly behind you.
- Provide clearly labelled suncream and sunhat for your child- Due to the risk of sun damage we cannot allow any child to use the garden or go on outings without suncream or a sun hat.

Learning & Development

(Birth to 3 matters & Foundation Phase is our curriculum guidance)

What an awesome month we've had....

Life & Kids

Quote of the Month...

Play in the dirt, because life is too short to always have clean fingernails.

Did you know?

The most memorable days usually end with the dirtiest of clothes!

Babies
- Encourage colour recognition & patterns

Babies
- Through ice play children can manipulate & mould the ice

A great sensory activity. Develops fine motor skills & coordination

Infants
- Creating life scenes for the children to play with

Infants
- Acting out ideas from real life or reenacting stories

This type of play is wonderful for language building

Juniors
- Physical activity improves strength, & skill

Juniors
- Toddlers competence & coordination skills get better

Physical activity helps maintain a healthy lifestyle

Preschool - Baking

Whilst baking children learn a variety of crucial academic skills including reading, following directions, mathematics & fine motor skills.

Baking can expose children to new textures, tastes, colours & odours. It can provide many teaching opportunities while creating bonds and developing social skills.

Don't miss their smiley faces when they get to bring home their wonderful makes.

Foundation Phase - Construction

Construction play is all about building, shaping and manipulating things to create something new.

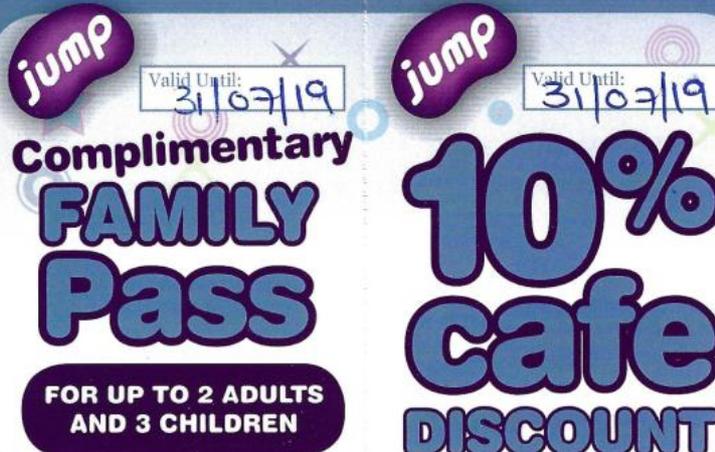

In construction materials can be anything, solid or liquid. Sand, water, construction blocks, lego, playdoh or wood. The key is that children are making something. They are being curious and approaching that curiosity with a hands on approach. Construction play covers all areas of learning.
